**Stainless**  
Canteen Equipments

**Introduction:**

Stainless Canteen Equipment is a Chennai based company, which established in 1985 by Mr. V.Seshaya, who has 30 years of experience in Design, and Manufacture of Commercial Kitchen Equipment.

The company provides unmatched quality products to its valued customers as we use only Food-Grade quality stainless steel materials, and we ensure that our customers get the finest quality of products at competitive prices. We are End to End Commercial Kitchen solution providers.

We have professionally trained manufacture force and dedicated service team for our products. Our entire product is based on new concepts in Commercial Kitchen Equipment. Beside our own commercial kitchen products, we also provide professional custom solutions on kitchen consultation.
